RE: Reference Request for Application 10/796,754

Dear Examiner Kim,

This question is in regard to the 05/03/2005 Office Action for Application 10/796,754 (Attorney Docket No. 4591-393). On page 3 of the Office Action, it is stated that Claims 1-3 are rejected under §102(a) as being anticipated by Baek (Kr 1020010065747). However, no reference was included with the Office Action when sent. We have attempted to obtain a copy of the reference cited above, but the disclosure from the reference with that number did not include the drawing cited in the Office Action. Please fax me at the number listed below all of the information you have regarding this reference, including an English translation if possible.

Please feel free to contact me at the telephone number listed below if you have any questions regarding this request. Thank you for your time.

Sincerely,

Gregg Palmer
